# Timeline

# Our goal... modularization

# Where are we now?

- Platform upgrade (cakePHP)
- Module & Role definition
- Calendar planning
  
- Direction Board support
- Strategic Plan commitment

# Deliverables and the Future

- a 2nd follow-up report in the end of the 2nd trimester of 2015 and full calendar presentation
- a stage development presentation in the last trimester of 2015
- mid-2016 (@eunis) - presentation of first proof of concept

# Thank you!

## See you next year for a follow-up!
